

## WHO?

Boudicca was born in approx 16AD to 60AD. She Made England wealthy and successful when she was queen and was

# Boudicca

By EMILY HANVEY

approx 16 AD - 60 AD

## WHAT?

Boudicca was of royal decent. She was the ruler of Iceni through the line of ascension to the throne. She was married to Prasutuagus.

## WHEN?

Boudicca was Famous at a very young age until the day she died. Boudicca's death was unknown.

## WHERE?

Boudicca was born into aristocracy. Little or nothing is known of where she came from but many believe that her real name was not Boudicca but it was Boudiga

## WHY?

Boudicca was famous because her mother and Boudicca's sisters were took by the Romans and then they were raped them so Boudicca decided to revolt against them and was successful
