

Shakespeare was brought up in Stratford upon Avon and married at 18 to Anne Hathaway she then gave birth to Susana then two years later to twins hamnet and Judith but hamnet died of black death.

Shakespeare was born in 1564 and died in 1606.

By James

His surviving works consist of 38 plays for example Macbeth, hamlet and Romeo and Juliet

# William Shakespeare

The globe theatre were shakespeare's greatest stage works were performed.

My opinion is that Shakespeare is so important because he still inspires people today.

William Shakespeare was a famous play writer of the 15-16 hundreds his plays are still popular today.

Shakespeare was nicknamed the bard of Avon?
