

# A Hindu Wedding

*The Brides hands and feet are painted in beautiful patterns using a special dye*

*They are joined together with a piece of cloth over the mans shoulder and attached to the woman's sari*

*They take 7 steps round the sacred together.*

*They both wear a garland of flowers*

*The brides father gives her away*

*In the ceremony the couple sit next to each other in front of a special fire their hands are tied together water is sprinkled on them.*

*The couple often did not meet until the day of the wedding.*

*The bride is dressed in a red and gold sari with lots of gold and jewellery*

*Marrige is important so that there can be children to carry on the family.*
